UConn

ANNUAL FUND

ENRICHING THE EDUCATIONAL AND CULTURAL EXPERIENCE

Dear L. J. Hiivala,

On behalf of our students and faculty, it is my pleasure to acknowledge your recent gift to The University of Connecticut Foundation, Inc. in support of the Institute of Materials Science. This leadership level annual gift will have an immediate impact on the quality and depth of the educational experience at Uconn. It is important to note that corporate support such as yours plays a critical role in the overall funding of the University and helps the Uconn maintain its number one rating in New England.

Thanks in part to your generous contribution, the University is able to continually attract over 3,000 outstanding high school seniors for fall admission. This past year alone the University welcomed 38 valedictorians and 37 salutatorians to the freshman class, and 72% of all entering freshman ranked within the top 25% of their high school class. It is no wonder that *U.S. News & World Report* ranks UConn the top public university in New England and 25th in the nation!

If you have any questions please feel free to contact me personally at (860) 486-1173, or via email: Annualgiving@foundation.uconn.edu. Thank you once again for your ongoing support for the University of Connecticut.

Sincerely,

Kenneth R. Gobel
Assistant Vice President, Annual Giving
